

## **WHAT DOES HOOSIER HILL FARM USA PRODUCT MEAN?**

Hoosier Hill Farm USA Product means the product is made in the USA. No ingredient or component of the product is imported.

Therefore all **Hoosier Hill Farm USA** products will meet the following criteria:

- 1) 100 % of the product is from the USA, in many cases sourced locally in the Midwest or from our co-op.

In order for Hoosier Hill Farm to insure that its product is, in fact, Made in the USA, we perform the following steps as part of our Standard Operating Procedures regarding the labeling of USA Made Product.

- 1) All product sources are required to be confirmed made in the USA by our vendors. This certification is verified to ensure product, as received in our facility is made in the USA.
- 2) We require documentation for our partners that guarantees it is a USA made product.

*Thank you for choosing a Hoosier Hill Farm product!*
